

A pink flower logo with six petals, each outlined in white. The petals are arranged in a circular pattern, with a small white star-like shape in the center. The text "MINDFUL MOMENTS" is written across the center of the flower in a bold, magenta, sans-serif font. The word "MINDFUL" is on the left and "MOMENTS" is on the right, with the central star shape acting as a separator between the two words.
